

Mazda CX-60 , 2024

Mazda CX-60 3.3 XD HV Premier Moda 4WD - 2024

Safety & Assistance Systems:

Equipped with Power Steering (PS) for easy maneuverability and advanced safety features, including Anti-lock Braking System (ABS) and a comprehensive Airbag System (Driver/Passenger). The solid structure and enhanced safety systems offer a secure driving experience, making it ideal for a variety of road conditions.

Comfort & Infotainment:

Includes Leather Seating for added comfort, Manual Air Conditioning (AAC) for climate control, and a Navigation System to ensure a smooth journey. The SUV's thoughtful design ensures a pleasant and functional driving environment for both short trips and long distances.

Interior & Seating:

Fitted with Power Windows (PW) for convenience, the cabin accommodates up to 5 passengers comfortably. With its spacious and practical interior, the Premier Moda trim offers a touch of elegance and functionality for both everyday use and special outings.

Exterior:

A stunning gray exterior gives the Mazda CX-60 a sophisticated and modern look, with robust construction suited for both city driving and off-road adventures. The SUV's striking design and durable build provide an optimal blend of style and utility.
