Mazda CX-3 1.5 15S Touring - 06/2022

General Overview:

The 2022 Mazda CX-3 1.5 15S Touring, presented in sleek **Polymetal Gray Metallic**, is a refined subcompact crossover that balances sporty aesthetics with everyday practicality. This trim level offers a comfortable and well-equipped driving experience, suited for both urban commuters and weekend travelers.

Performance and Efficiency:

Under the hood, the CX-3 15S Touring is powered by a **1.5-liter naturally aspirated petrol engine** delivering **111 horsepower**. Paired with a smooth 6-speed automatic transmission and front-wheel drive, the vehicle offers light, agile handling and good fuel economy—typically around 5.5 to 6.0 L/100 km—making it ideal for efficient city and suburban driving.

Interior and Features:

Inside, the Touring trim offers a clean and functional layout with premium touches. Fabric upholstery, soft-touch dashboard materials, and silver trim accents enhance comfort. Key features include a 7-inch Mazda Connect infotainment display with Bluetooth, USB, and smartphone integration, a multifunction steering wheel, and a reverse camera. Automatic climate control, keyless entry, and push-button start add to the ease of use.

Safety and Assistance Systems:

Mazda's i-Activsense suite includes essential driver aids such as lane departure warning, blind-spot monitoring, rear cross-traffic alert, and advanced emergency braking. Standard airbags, ABS, electronic stability control, and a reinforced body structure further improve safety.

Exterior Design:

The Polymetal Gray Metallic finish enhances the sculpted KODO design language of the CX-3. Sharp LED headlights, a signature Mazda grille, and body-colored mirrors create a modern and dynamic presence. The Touring trim typically rides on 16-inch alloy wheels, offering a great balance between style and ride comfort.
