

Mazda CX-80 , 2024

Mazda CX-80 - 09/2024

Exterior: The **Mazda CX-80** in an elegant and modern finish combines sophistication and presence in a premium SUV. Featuring a bold grille, sleek LED headlights, and sculpted body lines, it exudes a dynamic and refined look. Factory alloy wheels and subtle chrome accents enhance its upscale design.

Performance and Efficiency: Powered by a **3.3-liter diesel-hybrid engine** delivering approximately **280 horsepower**, the CX-80 offers strong and refined performance. The drivetrain ensures smooth acceleration and confident handling, making it ideal for both city commutes and long-distance travel, while maintaining impressive efficiency for its class.

Interior and Features: The cabin is spacious and luxurious, with **leather seats**, high-quality materials, and an ergonomic layout. Equipped with a **BOSE premium sound system, head-up display (HUD)**, and a **360-degree view camera**, it provides comfort, convenience, and a premium driving experience. Additional features include Blind Spot Monitoring (BSM), dual-zone climate control, and ample seating for passengers.

Technology and Safety: The CX-80 comes with advanced driver-assistance and safety systems, including **lane assist, blind spot monitoring, parking sensors**, and a **multi-view camera system**. These features enhance safety, awareness, and driver confidence on every journey.
