## Mazda 2 15C - 05/2023

### Exterior:

The **Mazda 2 15C** is finished in an elegant silver metallic color and follows Mazda's signature "**Kodo: Soul of Motion**" design language. This compact and dynamic hatchback features clean, sculpted body lines, a bold front grille, and sharp LED lighting. The rear design is smoothly contoured with integrated taillights and a roof spoiler, creating a complete and sporty look. The car rides on **15-inch steel wheels with full covers**, and its compact size makes it ideal for maneuvering through tight city streets.

### Performance:

Under the hood is a **1.5-liter petrol engine producing 110 horsepower**, paired with a **6-speed automatic transmission** and **front-wheel drive (2WD)**. The Mazda2 delivers confident acceleration and excellent fuel economy, averaging around **5.0 L/100km** in mixed driving conditions. The lightweight chassis and well-tuned suspension provide balanced handling and comfort for both city commutes and highway cruising.

### Interior and Comfort:

The interior features **black fabric seats** made from quality materials, offering a comfortable and supportive ride. The cabin accommodates **five passengers**, with rear seats that fold 60/40 to expand cargo capacity. The dashboard layout is clean and horizontal, with intuitive controls, a multifunction steering wheel, and a focus on driver ergonomics. A **fully automatic air conditioner with a pollen filter** ensures a pleasant atmosphere during all seasons.

### Technology and Safety:

The Mazda2 15C is equipped with **Bluetooth, USB input, steering wheel controls**, and a basic infotainment display. Safety features include **ABS, traction control, hill-start assist**, and multiple airbags (front, side, curtain), along with **Smart City Brake Support** for automatic emergency braking. Additional conveniences include **smart key access, push-button start, power mirrors**, and **rear parking sensors**.
