

Mazda CX-80 , 2024

Mazda CX-80 2.5 PHEV L Package 4WD - 09/2024

Performance and Hybrid Efficiency:

Under the hood lies a **2.5-liter petrol engine** mated to a **plug-in hybrid** system that together deliver a total of **327 horsepower**. This system offers brisk acceleration, whisper-quiet EV cruising, and smooth transitions between electric and combustion power. Paired with an **8-speed automatic transmission** and Mazda's advanced **4WD** system, the CX-80 provides confident grip, exceptional stability, and seamless long-distance comfort. It can **drive up to 60 km in electric-only mode**, making it ideal for both city use and weekend adventures.

Interior and Features:

The cabin of the **L Package** is crafted for comfort and versatility, **with premium leather upholstery**, heated and ventilated seats, and elegant wood trim accents. Three rows of seating accommodate families and guests, with ample legroom and easy access to the third row. The central infotainment screen is complemented by a full digital driver display, and rear passengers enjoy their own climate controls. A panoramic sunroof, ambient lighting, and soundproof glass elevate the interior ambiance.

Safety and Driver Assistance:

Equipped with **Mazda's i-Activsense** suite, the CX-80 includes adaptive cruise control, blind spot monitoring, lane keep assist, parking sensors, and a 360° view monitor. The L Package also features a head-up display, advanced collision mitigation braking, traffic sign recognition, and a digital rearview mirror. Safety is further supported by a high-rigidity body and multiple airbags.

Exterior Design:

Elegant yet assertive, the **CX-80** features sculpted bodywork, a bold signature wing grille, LED headlamps, and 20-inch alloy wheels. The proportions are stretched and refined, marking it as a true luxury SUV. The retractable charging port is subtly integrated into the rear quarter, maintaining the clean side profile.
