

Mazda 2 , 2025

Mazda 2 15C Skyactiv - 2025 (From the UK)

General Overview

A rare find — this **Mazda 2 15C Skyactiv (2025)** has just **3,000 km** on the clock and comes directly from **Britain**, offering impeccable condition and unmistakable quality. Finished in elegant **Grey**, it's practically a brand-new vehicle that embodies Mazda's signature balance of refined design, reliability, and driving pleasure. Perfect for those who want a fresh, stylish hatchback without the wait.

Performance and Efficiency

Equipped with a **1.5-liter Skyactiv petrol engine** and a **smooth automatic transmission**, this Mazda 2 delivers a spirited yet fuel-efficient drive, averaging around **5 L/100 km**. The Skyactiv technology ensures excellent throttle response, quiet operation, and outstanding fuel economy — ideal for both city streets and open highways.

Interior and Comfort

Step inside and you'll find a cabin that feels brand new — thoughtfully designed, comfortable, and refined. Premium materials and intuitive controls enhance the driving experience, while features like **LED headlights**, a **rear-view camera**, and **parking sensors** make every trip effortless and safe.

Technology and Safety

Built with Mazda's renowned engineering precision, the 2025 Mazda 2 ensures confidence behind the wheel thanks to its advanced safety systems and solid construction. Already **in Cyprus**, the car has passed a full inspection, comes with **warranty for the engine and gearbox**, and will be **registered under the first owner's name** — ready for immediate delivery.
