Overview

The **McLaren GT 01/2023** is a high-performance **gasoline coupe**, %READMORE% combining grand touring comfort with supercar engineering.

It features a 4000cc gasoline engine and a lightweight 2-door coupe configuration.

Driving Performance

Equipped with a **7AT with column MT mode** transmission and **2WD** drive system. The powertrain delivers sharp throttle response and balanced rear-wheel-drive dynamics.

Interior and Equipment

The cabin is designed for **2 passengers** with a driver-focused layout.

Premium equipment includes electric adjustment, heated seats, and genuine leather seating surfaces.

Technologies and Assistants

Safety systems include ABS, airbags, obstacle sensor, and anti-skid device.

Convenience technologies such as navigation memory system, ETC, and rear camera support everyday usability.

Exterior

Finished in **Glacier White**, this coupe presents a clean and aerodynamic profile.

LED headlights and aluminum wheels complete the refined yet aggressive exterior design.
