Mercedes-Benz CLA 180 Shooting Brake - 03/2022

Safety and Assistance Systems:

The 2022 Mercedes-Benz CLA 180 Shooting Brake comes equipped with a well-rounded set of safety technologies designed to enhance everyday driving. Standard features include Active Brake Assist, Lane Keeping Assist, and Attention Assist, which helps monitor signs of driver fatigue. A reversing camera, multiple airbags, and electronic stability control further ensure peace of mind on the road.

Performance and Handling:

Powered by a **1.3-liter** inline-4 turbocharged petrol engine, the CLA 180 delivers **136 horsepower** and 200 Nm of torque. It is paired with a 7-speed dual-clutch automatic transmission (7G-DCT), which offers smooth and efficient gear changes. The front-wheel-drive layout and finely tuned suspension provide a composed and agile driving experience, making it suitable for both urban and highway use.

Comfort and Multimedia:

Inside, the CLA 180 offers a refined and tech-focused interior. It features the MBUX infotainment system with a 7-inch touchscreen, intuitive voice command activation with "Hey Mercedes," and compatibility with Apple CarPlay and Android Auto. Dual-zone automatic climate control ensures cabin comfort, while ambient lighting and premium materials elevate the overall atmosphere.

Interior and Seats:

The interior is designed to combine sporty elegance with practicality. The seats are upholstered in high-quality fabric or optional synthetic leather, offering excellent comfort and support. The rear seats can be folded flat to significantly increase cargo capacity, adding versatility to the Shooting Brake's stylish practicality.

Exterior:

The CLA 180 Shooting Brake is distinguished by its sleek, coupe-inspired silhouette combined with the functionality of an estate. LED headlights and taillights lend a sharp, modern appearance, while the aerodynamic design enhances both efficiency and performance. The wide stance and low roofline give it a sporty and dynamic road presence.
