

Mercedes EQA , 2022

Mercedes-Benz EQA 250 Edition 1 - 03/2022

Exterior:

The 2022 **Mercedes-Benz EQA 250 Edition 1** in **Digital White** boasts a sleek, compact SUV profile with a drag coefficient of just 0.28. It features a distinctive **Black Panel grille**, seamlessly integrated **LED headlights**, and a full-width light strip that connects the front and rear. The **Edition 1** trim enhances its appearance with **20-inch AMG multi-spoke alloy wheels** and exclusive **rose gold accents** on the grille, key, and seats.

Performance and Efficiency:

The EQA 250 is powered by a **190 hp (140 kW)** electric motor, delivering **385 Nm** of torque. It offers a range of up to **493 km (WLTP)** on a single charge, thanks to the **66.5 kWh battery**. With an **AC charging capacity of 11 kW**, it takes approximately **6.5 hours** to fully charge the battery, while **DC fast charging** allows for a 10-80% charge in around **30 minutes**.

Interior and Features:

Inside, the EQA 250 Edition 1 offers a luxurious cabin with **premium leather upholstery** and **rose gold accents**. The cabin features **dual 10.25-inch screens** running the **MBUX infotainment system**, with **Augmented Reality Navigation**. Additional features include **ambient lighting**, **electrically adjustable seats**, **dual-zone climate control**, and **wireless charging**.

Technology and Safety:

The EQA 250 is equipped with cutting-edge technology and safety features, including **Adaptive Cruise Control**, **Lane Keeping Assist**, **Pre-Safe Brake**, and **Active Blind Spot Assist**. It also offers a **360-degree camera system**, ensuring ease of maneuvering in tight spaces. With **MBUX** and **Voice Control**, you can interact with the car seamlessly, while the **Augmented Reality** feature enhances navigation for a more intuitive experience.
