Mercedes-Benz CLA 200d AMG Line Shooting Brake - 08/2021

Safety and Assistance Systems:

This model is equipped with Mercedes-Benz's advanced safety features, including the Radar Safety Package, which offers adaptive cruise control and lane-keeping assist. The vehicle also features a rearview camera, parking sensors, and multiple airbags to ensure comprehensive protection for all occupants.

Comfort and Multimedia:

Inside, the CLA 200d boasts a premium infotainment system with built-in navigation and TV functionality. The cabin is designed for comfort, featuring automatic climate control (AAC), power windows (PW), and a power-operated tailgate for added convenience.

Interior and Seats:

The interior is adorned with half-leather seats that provide both comfort and style. Front seats are heated and power-adjustable, enhancing the driving experience. Additional features include a multifunction steering wheel and ambient lighting to create a luxurious atmosphere.

Exterior:

Finished in Iridium Silver, this Shooting Brake variant combines the sleek lines of a coupe with the practicality of an estate. The AMG Line package adds sporty elements such as distinctive bumpers and side skirts, while the 18-inch alloy wheels (AW) complete the dynamic look.

Performance:

Under the hood, the CLA 200d houses a 2.0-liter diesel engine paired with a 7-speed automatic transmission. This combination delivers a balance of performance and fuel efficiency, making it suitable for both city driving and long-distance journeys.
