Mercedes-Maybach GLS 600 4MATIC - 11/2024

Exterior:

The **2024 Mercedes-Maybach GLS 600 4MATIC** stands at the pinnacle of luxury SUVs, offering a commanding presence with exquisite design elements. Its distinctive Maybach-specific grille, abundant chrome accents, and two-tone paint options distinguish it from the standard GLS. The vehicle rides on exclusive 22- or 23-inch forged alloy wheels, and the elegant “Maybach” emblems subtly reinforce its bespoke character. Electrically extending running boards, soft-close doors, and LED Digital Light headlamps complete the opulent exterior.

Performance and Efficiency:

Under the hood, the GLS 600 is powered by a **4.0-liter V8 biturbo petrol engine** with **EQ Boost**, a 48V mild-hybrid system. It produces **558 horsepower (410 kW)** and **730 Nm of torque**, while the integrated starter-generator adds up to **21 horsepower (16 kW)** during acceleration. Power is sent through a 9-speed automatic transmission to a 4MATIC all-wheel drive system. It accelerates from 0 to 100 km/h in around **4.9 seconds**, delivering both effortless power and refined composure. Fuel consumption averages approximately 12.0–12.5 L/100 km.

Interior and Features:

Inside, the Maybach GLS 600 is a sanctuary of refinement with **four- or five-seat** configurations. Exclusive Nappa leather covers every surface, from the multi-contour massage seats to the roof pillars. The rear offers executive lounge seats with leg rests, a refrigerated compartment, and fold-out tables. A **Burmeister 3D High-End surround sound system**, **MBUX dual-screen infotainment with rear tablets**, and a **panoramic sliding sunroof** ensure high-tech luxury. The **E-Active Body Control** suspension smooths even the roughest roads for unmatched comfort.

Technology and Safety:

Advanced driver assistance features include **adaptive cruise control with stop-and-go**, **lane keeping assist**, **blind spot monitoring**, **automatic emergency braking**, **traffic sign recognition**, and a **360-degree camera** with automatic parking assist. The mild-hybrid EQ Boost improves fuel efficiency and enhances smooth acceleration without compromising on the serenity expected from a Maybach. Over-the-air updates, ambient light personalization, and customizable driving modes complete this exceptional luxury package.
