This model emphasizes refined usability with modern driver assistance systems, offering a balance of efficiency, technology, and everyday convenience.

Driving Performance

The vehicle is powered by a 1500cc hybrid engine paired with a Column MT mode 9AT transmission. The 2WD system provides efficient handling for urban and highway driving. Driving characteristics focus on smooth acceleration, controlled dynamics, and fuel efficiency.

Interior and Equipment

The cabin accommodates five passengers with heated seats and ambient lighting. Comfort features include power seats with memory, a sliding roof, and a head-up display. The power rear gate adds practicality, while the interior layout emphasizes convenience and refinement.

Technologies and Assistants

Key systems include Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, Blind Spot Monitor, and Rear Traffic Monitor.

Surround view cameras and multiple airbags enhance safety and driver awareness.

Exterior

The exterior is finished in Obsidian Black, complemented by AMG Line styling elements. Functional features such as the sliding roof, automatic high beam, and 360° camera highlight the modern design of this station wagon.
