Mercedes-Benz GLS 400 d 4MATIC AMG Line - 01/2021

General Overview:

The **2021 Mercedes-Benz GLS 400 d 4MATIC AMG Line**, finished in elegant **Iridium Silver**, is a full-size luxury SUV that blends commanding presence, advanced diesel performance, and top-tier comfort. With the **AMG Line styling**, a **panoramic sunroof**, and a **black leather interior**, this model delivers both prestige and practicality for those who demand premium refinement.

Performance and Handling:

At its core, the GLS 400 d is powered by a **3.0-liter inline-six turbocharged diesel engine** producing **330 horsepower** and **700 Nm of torque**. Mated to a smooth **9-speed 9G-TRONIC automatic transmission** and **4MATIC all-wheel drive**, it offers confident traction, brisk acceleration, and impressive towing capacity. Adaptive **air suspension** ensures a smooth ride whether on highways or uneven terrain, while AMG-tuned elements enhance the SUV's sporty feel.

Interior and Features:

The cabin is appointed with **premium black leather upholstery** and offers an array of high-end features including **power-adjustable heated and ventilated front seats**, **three-zone automatic climate control**, and a **panoramic sliding roof** that brightens the spacious interior. The **Burmester surround sound system** delivers concert-level audio quality, and the MBUX infotainment system features **navigation**, voice control, smartphone integration, and a **360-degree camera system** for enhanced convenience and safety.

Exterior Design:

This GLS stands out with its sleek **Iridium Silver metallic paint**, **AMG Line body kit**, and **21-inch AMG alloy wheels**. LED headlights, chrome detailing, and the signature Mercedes grille project confidence and sophistication, while the aerodynamic design balances elegance with power.

Safety and Driver Assistance:

Equipped with **adaptive cruise control (ACC)**, **lane keeping assist**, **blind-spot monitoring**, and a **surround view camera**, the GLS ensures a high level of driving confidence. Whether parking in tight spots or cruising at high speed, this SUV provides the safety and driver support expected of a flagship Mercedes-Benz.
