

Mercedes G-class SUV , 2024

Mercedes-AMG G-Class G63 03/2024

Overview:

This **Mercedes-AMG G63 4WD**, finished in striking **Opalis White**, combines the exceptional quality of the **Manufaktur** program with the expressive style of the **AMG Night Package**. Enhanced by **AMG carbon fiber** interior accents and exclusive **Nappa leather** in **Titanium Gray/Black**, this right-hand drive vehicle from a smoke-free owner represents a highly desirable version of the legendary **G-Class**. It merges authentic **AMG** power with personalized luxury, creating a commanding presence both on and off the road.

Dynamics and Handling:

The **AMG G63** delivers signature performance backed by modern traction management technologies. The **power steering** and **ABS** provide confident and responsive handling, while the **adaptive cruise control** and **lane-keeping assist** contribute to calm and stable high-speed driving. The **collision prevention system** enhances safety in sudden road situations, and **obstacle detection** helps maneuver confidently in tight or unpredictable conditions. A full suite of **airbags** offers multi-level protection, while the **traction control system** maintains stability on slippery or challenging surfaces. The **hill descent control** boosts off-road capabilities, and **automatic high beams** instantly adapt for optimal nighttime visibility. The full set of cameras, including front, rear, side, and **360-degree views**, along with **blind-spot monitoring** and **rear cross-traffic alert**, ensure precise awareness of the surroundings, complementing the rugged yet refined driving character of the **G-Class**.

Interior and Features:

The interior reflects the sophistication of the **Manufaktur** program, enhanced by exclusive **Nappa leather** in the **Titanium Gray/Black** color scheme and **AMG** carbon fiber accents. **Keyless entry** and an **intelligent key** provide convenient access, while **power windows** and **power-adjustable seats** enhance everyday comfort. **Heated seats** ensure coziness in cold weather, and natural leather accents emphasize the premium feel of the cabin. **Climate control** and cooling systems maintain ideal conditions, while the multimedia system with **Apple CarPlay** and **Android Auto** offers intuitive connectivity. A **TV tuner**, **HDD navigation**, and **ETC**

system expand functionality, making the **G63** equally suitable for long journeys and daily commuting.

Technologies and Driver Assistance Systems:

A comprehensive suite of **intelligent systems** enhances safety and convenience. The **adaptive cruise control** ensures a smooth ride, while the **lane-keeping assist** maintains a stable driving trajectory. The **collision prevention braking system** works in tandem with obstacle sensors to anticipate potential dangers. The set of cameras—**front, side, rear, and 360-degree view**—provides unparalleled visibility. **Anti-theft protection** enhances security, and the **idle stop system** improves fuel efficiency. All these systems work harmoniously, supporting the driver and preserving the confident character inherent to the **AMG G63**.

Exterior:

The exterior design is accentuated by the **AMG Night Package**, creating a bold and aggressive look that beautifully contrasts with the **Opalis White** color. **Adaptive LED headlights** offer clear illumination, while **front fog lights** improve visibility in adverse weather conditions. The **panoramic roof/sunroof** adds light and spaciousness to the cabin. Distinctive **alloy wheels** highlight the powerful stance of the vehicle, and the **roof rails** enhance practicality for travel and outdoor adventures. These elements form an unmistakable silhouette that cannot be confused: this is **AMG**, and this is the **G-Class**.
