

Mercedes A-class , 2024

Mercedes-Benz A-Class A200d AMG Line - 05/2024

Exterior

This **A200d AMG Line** comes in a sleek **hatchback style** with sporty **aluminum wheels, lowered suspension**, and **adaptive LED headlights**. Its premium silhouette is further enhanced by AMG styling details, giving it a confident and dynamic presence on the road.

Performance and Driving Dynamics

Equipped with a **2.0-liter turbo diesel engine** producing around **150 horsepower**, this A200d combines efficiency and performance. The power is delivered through a smooth **automatic transmission** with **front-wheel drive (2WD)**. Features like **adaptive cruise control, lane keep assist**, and **collision mitigation braking** ensure a secure and confident drive in all conditions.

Interior and Comfort

The cabin emphasizes premium comfort with **electric seat adjustment**, and advanced **climate control**. Passengers enjoy an ergonomic layout, smart storage solutions, and a luxurious finish enhanced by AMG Line details. A **Display Audio system with Apple CarPlay and Android Auto** provides seamless connectivity and entertainment.

Technology and Safety

This A200d is packed with advanced technology, including **360° all-around cameras, obstacle sensors, automatic high beam**, and **anti-skid systems**. Safety is further ensured with multiple airbags (front, side, curtain), **ABS**, and intelligent driver-assist features such as **parking assist** and **misapplication prevention**. Convenience highlights include **keyless entry**, and **smart key**.
