

Mercedes EQS , 2024

Mercedes-Benz EQS 450+ AMG Line Package - 01/2024

Exterior

This EQS 450+ is finished in elegant **High-Tech Silver Metallic**, emphasizing the futuristic and aerodynamic design of Mercedes' flagship **full-size luxury electric sedan**. The **AMG Line package** enhances the sporty appeal with refined styling accents, while the smooth bodywork and panoramic roof underline both efficiency and prestige.

Performance and Driving Dynamics

The EQS 450+ is powered by a state-of-the-art electric motor producing around **360 hp** and **568 Nm of torque**, ensuring seamless and confident acceleration. The advanced battery technology provides a long driving range, making the EQS ideal for both urban use and long-distance travel. With **rear-axle steering** and **adaptive suspension**, it delivers outstanding agility, stability, and comfort.

Interior and Comfort

The interior is designed with cutting-edge luxury, offering **premium leather seats**, a **panoramic roof**, and a **Burmester premium sound system**. Features include **heated and ventilated seats**, **HUD (Head-Up Display)**, **multi-zone climate control**, and extensive ambient lighting. Spaciousness, quality materials, and innovative design create a refined and relaxing cabin environment.

Technology and Safety

Equipped with the latest Mercedes-Benz technologies, this EQS 450+ includes **360° camera system**, **Radar Safety Package**, **Blind Spot Monitor**, **Pre-Collision System (PCS)**, and advanced **lane-keeping assist**. Convenience features such as **smart key access**, **wireless charging**, and next-generation infotainment make every journey safe, connected, and effortless.
