Mercedes-Benz EQS 450+ AMG Line Exclusive Package - 11/2022

Exterior

This EQS 450+ is finished in a sleek **Black**, showcasing the elegant and futuristic design of Mercedes' flagship **full-size luxury electric sedan**. The **AMG Line package** enhances its sporty appearance, while the **Exclusive Package** adds premium styling touches. Its smooth, aerodynamic body and flowing lines emphasize both efficiency and prestige.

Performance and Driving Dynamics

Powered by a state-of-the-art electric motor producing around **360 hp** and **568 Nm of torque**, the EQS 450+ delivers effortless acceleration and instant response. The advanced battery system provides an impressive driving range, making it suitable for both everyday urban driving and long-distance travel. With its **adaptive suspension** and refined chassis, the EQS ensures a perfect balance of comfort, stability, and dynamic handling.

Interior and Comfort

The interior represents true luxury, offering **premium white leather seats**, advanced ambient lighting, and an exceptionally spacious cabin. Features include **heated and ventilated seats**, a **panoramic roof**, a **Head-Up Display (HUD)**, and **multi-zone climate control**. High-quality materials combined with innovative design create a refined, comfortable environment for both driver and passengers.

Technology and Safety

Equipped with the latest Mercedes-Benz technologies, this EQS 450+ includes **360° cameras**, **Radar Safety Package**, **Blind Spot Monitor (BSM)**, **Pre-Collision System (PCS)**, and **Lane Departure Assist (LDA)**. Additionally, it features **adaptive cruise control**, keyless smart access, wireless charging, and advanced infotainment, ensuring maximum safety and convenience.
