

Mercedes G-class , 2025

Mercedes-AMG G-Class G63 4MATIC - 05/2025

Exterior:

The **2025 Mercedes-AMG G63** maintains its iconic boxy design while incorporating AMG-specific enhancements. It features a bold Panamericana grille, enlarged wheel arches, and vertically stacked LED headlights. 22-inch forged AMG alloy wheels, quad exhaust pipes exiting from the sides, and matte aluminum trim accents emphasize its commanding and performance-oriented presence. The hinged rear door and exposed spare tire preserve its classic utility character with modern luxury.

Performance and Efficiency:

Under the hood lies a handcrafted **4.0-liter V8 biturbo engine**, producing **585 horsepower (430 kW)** and **850 Nm** of torque. Power is delivered through a 9-speed AMG SPEEDSHIFT TCT automatic transmission and a **permanent 4MATIC all-wheel-drive system** with a 40:60 front-to-rear torque split. With triple locking differentials and a low-range gearbox, the G63 blends serious off-road capability with blistering on-road acceleration — 0 to 100 km/h takes just **4.5 seconds**. Fuel consumption averages **13.0-13.5 L/100 km**, depending on configuration.

Interior and Features:

The cabin features **Nappa leather upholstery, AMG sports seats**, and **carbon fiber or wood trim**. A wide **12.3-inch digital instrument cluster** is paired with a **12.3-inch MBUX infotainment screen**, offering touchscreen controls, gesture recognition, **Apple CarPlay, Android Auto**, and **voice assistant**. Ambient lighting, **4-zone climate control, heated and ventilated front and rear seats**, and a **Burmester 3D surround sound system** ensure premium comfort and entertainment.

Technology and Safety:

The G63 is equipped with **adaptive cruise control, lane keeping assist, blind spot monitoring, autonomous emergency braking**, and a **360-degree camera system**. Parking is assisted by front and rear sensors, while the off-road mode utilizes cameras and displays terrain angles in real time. Over-the-air software updates, traffic sign recognition, and head-up display are also available. Despite its performance focus, the G63 prioritizes safety and comfort in all driving environments.

Specifications:

ID: PAF-731

Final Price: 264000.00 EUR

Interior Color: Black

Number of Seats: 5

Steering Side: Right

Condition: New
