Mercedes-Benz CLA 200d Shooting Brake AMG Line - 01/2022

Safety and Assistance Systems:

The 2022 Mercedes-Benz CLA 200d Shooting Brake AMG Line is equipped with a wide array of advanced safety technologies. Key features include radar-based adaptive cruise control, blind-spot monitoring, and a rearview camera with dynamic guidelines. Front and rear parking sensors further aid maneuvering, while multiple airbags ensure comprehensive occupant protection.

Performance and Handling:

Powering this model is a **2.0-liter** turbocharged diesel engine that delivers a refined **150 horsepower** and 320 Nm of torque. The engine is paired with an 8-speed dual-clutch automatic transmission (8G-DCT), offering smooth and responsive shifting. The front-wheel-drive layout combined with AMG Line suspension tuning provides a balanced and engaging driving experience for both city use and long-distance travel.

Comfort and Multimedia:

Inside, the CLA 200d offers a driver-centric and technologically advanced cabin. The MBUX infotainment system features a 10.25-inch touchscreen with natural voice recognition activated by "Hey Mercedes." The system supports Apple CarPlay and Android Auto for seamless smartphone integration. Dual-zone automatic climate control and ambient lighting enhance the overall comfort and luxury feel.

Interior and Seats:

The interior is finished with AMG-specific details and high-quality materials. Supportive sports seats offer comfort for both short and extended journeys. The rear seats fold flat to expand the already generous cargo space, making the Shooting Brake not only stylish but highly practical.

Exterior:

The CLA 200d Shooting Brake AMG Line stands out with its sporty silhouette and dynamic proportions. The coupe-inspired roofline is extended into a practical wagon body, offering both elegance and functionality. LED headlights and taillights, AMG bumpers, and alloy wheels complete the athletic look, while the elongated rear ensures ample luggage capacity.
