## Mercedes-Benz GLE 400d 4Matic Sport Diesel Turbo 4WD - 03/2023

### General Overview

The **Mercedes-Benz GLE 400d 4Matic Sport** in **Diamond White** is the embodiment of luxury, power, and innovation in the **premium SUV** segment. This model combines commanding design, advanced comfort features, and exceptional driving dynamics. With its panoramic sunroof and elegant black leather interior, it presents a perfect balance of prestige and functionality.

### Performance and Driving Dynamics

Equipped with a **2.9-liter inline-6 turbocharged diesel engine**, the GLE 400d delivers **330 horsepower and 700 Nm of torque**, paired with the renowned **4Matic all-wheel-drive system**. The **air suspension** ensures supreme ride comfort and adaptability to different terrains, while advanced driver-assist technologies such as adaptive cruise control, lane keep assist, parking assist, and collision mitigation braking provide maximum safety and confidence on the road.

### Exterior Design

The exterior radiates strength and elegance, highlighted by **LED adaptive headlights, AMG styling package, 20-inch aluminum wheels, roof rails, and the striking Diamond White finish**. The **panoramic sunroof** further enhances the luxurious appeal while giving the cabin an airy, open feel.

### Interior and Comfort

Inside, the GLE offers **black leather seating with memory-function power seats**, refined trim, and a spacious cabin designed for ultimate comfort. Standout premium features include the **Air Balance Package, hot & cold drink holders, and rear seat air conditioning**, creating a superior environment for both driver and passengers.

### Technology and Safety

Packed with innovative technology, this GLE features the **Burmester surround sound system, Apple CarPlay/Android Auto, and front & rear genuine dash cameras**. Safety is further enhanced with an around-view monitor, blind-spot monitoring, obstacle sensors, multiple airbags, and anti-theft protection, ensuring every journey is both enjoyable and secure.
