

Mercedes GLS-class , 2021

Mercedes-Benz GLS 400 d 4MATIC AMG Line - 11/2021

General Overview:

The **2021 Mercedes-Benz GLS 400 d 4MATIC AMG Line**, finished in **Obsidian Black**, is a flagship full-size SUV that combines premium German engineering, impressive diesel performance, and luxurious comfort for all occupants. This particular unit is **certified with a 2-year warranty**, ensuring peace of mind and quality assurance from Mercedes-Benz.

Performance and Handling:

Under the hood lies a **3.0-liter inline-six turbocharged diesel engine** producing **330 horsepower** and **700 Nm of torque**. It is paired with a **9-speed 9G-TRONIC automatic transmission** and **4MATIC all-wheel drive**, offering powerful acceleration, strong towing capability, and smooth highway cruising. The vehicle is also equipped with **AIRMATIC air suspension**, which provides adaptive damping for enhanced ride quality and stability across different terrains.

Interior and Features:

The interior showcases a **luxurious black leather cabin**, offering **power-adjustable heated and ventilated front seats**, **three-zone climate control**, and a **panoramic sliding sunroof** that opens up the cabin for a more airy and bright atmosphere. A high-end infotainment system with **MBUX dual 12.3-inch displays**, **navigation**, **Apple CarPlay/Android Auto**, and a **Burmester surround sound system** creates an immersive tech and audio experience.

Exterior Design:

The **Obsidian Black** paint emphasizes the GLS's powerful and refined silhouette. With the **AMG Line exterior styling**, including sporty bumpers, side skirts, and **21-inch AMG alloy wheels**, the SUV has an aggressive yet elegant presence. LED lighting and chrome accents add to its premium road appeal.

Safety and Driver Assistance:

This GLS is fully equipped with the latest safety and driver-assistance systems: **adaptive cruise control (ACC)**, **blind-spot monitoring**, **lane-keeping assist**, a **360-degree camera system**, and multiple airbags. These features ensure both peace of mind and effortless maneuvering in any driving environment.
