Overview

The Mercedes-AMG CLE 53 4MATIC+ Premium 05/2025 combines AMG performance engineering with advanced hybrid technology and everyday luxury. %READMORE% Finished in Obsidian Black Metallic and equipped with rear-axle steering and the Radar Safety Package, this coupe delivers dynamic handling, cutting-edge safety, and premium comfort in one refined package.

Performance

Powered by a 3.0-liter inline engine with Integrated Starter Generator (ISG), the CLE 53 produces smooth yet powerful acceleration. The AMG-tuned 4MATIC+ all-wheel-drive system and rear-axle steering enhance agility and stability, while the 9-speed automatic transmission ensures rapid and seamless gear changes.

Interior and Comfort

The cabin features genuine leather seats with heating, an AMG Performance steering wheel, and a head-up display for a sporty yet luxurious driving experience. Dual-zone climate control and premium Burmester sound create a refined atmosphere tailored for both daily driving and long-distance touring.

Technology and Safety

Equipped with a comprehensive Radar Safety Package, adaptive cruise control, Lane Keep Assist, blind spot monitoring, collision mitigation braking, and a 360-degree camera system, the CLE 53 ensures confidence behind the wheel. Seamless

smartphone integration and advanced infotainment enhance connectivity and convenience.

Exterior

The coupe silhouette is accentuated by AMG styling elements, aluminum wheels, and adaptive LED headlights. The Obsidian Black Metallic finish emphasizes the vehicle's powerful yet elegant character.
