

Mercedes EQC , 2021

Mercedes-Benz EQC 400 4MATIC - 09/2021

Exterior:

The **2021 Mercedes-Benz EQC 400 4MATIC**, in its September version, combines premium electric styling with dynamic presence and refined detailing. The signature black-panel front grille with horizontal slats and continuous LED light strips at the front and rear create a distinctive and futuristic look. The aerodynamic body is enhanced by 19-inch alloy wheels and chrome accents, emphasizing both elegance and efficiency.

Performance and Efficiency:

The EQC 400 4MATIC is powered by two asynchronous electric motors—one on each axle—delivering all-wheel drive and a total output of **408 hp (300 kW)** and **760 Nm** of torque. It accelerates from 0 to 100 km/h in **5.1 seconds**, with a top speed electronically limited to **180 km/h**. The vehicle is equipped with an **80 kWh** lithium-ion battery (usable capacity), providing a WLTP driving range of up to **462 km**. Average energy consumption is **21.5 kWh/100 km** under mixed driving conditions.

Interior and Features:

Inside, the **2021 Mercedes-Benz EQC 400 4MATIC** offers a luxurious and tech-forward environment. The dashboard features two integrated **10.25-inch** high-resolution displays running the MBUX infotainment system with voice and touch control. Standard equipment includes **Apple CarPlay**, **Android Auto**, dual-zone climate control, ambient interior lighting with 64 selectable colors, premium trim materials, and a wireless charging pad. Luggage capacity is **500 liters**, expandable to **1,460 liters** with the rear seats folded.
