Mercedes-Benz GLC 220d 4MATIC (ISG) AMG Line - 06/2024

General Overview:

The **2024 Mercedes-Benz GLC 220d 4MATIC** with **AMG Line Package** is a premium mild hybrid diesel SUV that delivers a perfect balance of efficiency, dynamic performance, and elegant design. Finished in deep **Obsidian Black**, this model comes equipped with the **AMG Leather Exclusive Package** and **Driver's Package**, making it a standout in terms of both styling and luxury. Its refined proportions and confident road presence reflect the sophistication of the latest GLC generation.

Performance and Handling:

This GLC features a **2.0-liter turbocharged diesel engine** paired with a **48V Integrated Starter Generator (ISG)** mild hybrid system, producing **197 horsepower** and 440 Nm of torque. It's mated to a smooth **9-speed automatic transmission** and Mercedes' renowned **4MATIC all-wheel-drive** system for confident traction and responsive handling in all conditions. The ISG system provides extra efficiency and smoother acceleration without the need to plug in.

Interior and Features:

The cabin is dressed in the **AMG Leather Exclusive interior**, combining **black and red leather upholstery** with detailed stitching and high-grade finishes. Comfort features include **power-adjustable heated front seats**, dual-zone climate control, and a panoramic sliding roof that enhances cabin ambiance. The latest-generation **MBUX infotainment system** includes a wide digital display with navigation, Apple CarPlay, Android Auto, voice control, and full-segment TV functionality. The **Burmester 3D Surround Sound System** adds immersive audio quality.

Exterior Design:

Sporty yet elegant, the GLC wears the AMG Line styling with signature **AMG bumpers**, **chrome details**, and **LED Digital Light headlights**. The **Obsidian Black** paint highlights its clean lines and confident stance, while large AMG alloy wheels complete the athletic silhouette. A **360° camera system** and **electric tailgate** offer both convenience and practicality in daily use.

Safety and Driver Assistance:

Advanced driver assistance systems include **adaptive cruise control**, **lane keeping assist**, **blind spot monitoring**, and **automatic emergency braking**. The **Driver's Package** also adds additional dynamic driving enhancements and comfort functions,

ensuring both driver confidence and passenger peace of mind.
