

Mini Hatch , 2021

Mini Countryman Cooper D 5-Door DCT - 01/2021

General Overview:

The 2021 Mini Countryman Cooper D is a stylish and efficient diesel-powered compact crossover that blends Mini's signature charm with practicality and technology. Finished in classic White, this 5-door variant offers ample space and a raised driving position, making it ideal for both city use and long-distance journeys.

Performance and Handling:

Under the hood is a **1.5-liter turbocharged diesel engine** producing **116 horsepower**, paired with a smooth and responsive 7-speed dual-clutch transmission (DCT). This combination delivers confident acceleration, excellent fuel efficiency, and refined highway cruising. The Cooper D's chassis retains the sharp handling and playful dynamics Mini is known for, while offering a more mature and composed ride in everyday use.

Interior and Features:

Inside, the cabin features **heated leather seats**, a centrally mounted infotainment system with **built-in navigation**, digital TV, and a **rearview camera** for enhanced visibility. The intuitive rotary controller and touchscreen interface provide seamless access to multimedia and vehicle settings. Additional equipment includes automatic climate control, multifunction steering wheel, keyless entry, and plenty of smart storage spaces throughout the interior.

Technology and Comfort:

This model offers a premium in-cabin experience with high-quality materials, ambient lighting, and a modern digital instrument cluster that enhances driving enjoyment and clarity. Comfort and convenience are prioritized for both the driver and passengers.

Exterior Design:

The Countryman's distinct Mini styling is complemented by its higher ride height and 5-door configuration. LED headlights, stylish alloy wheels, and chrome accents give the car a premium appearance while ensuring visibility and presence on the road.
