MINI Cooper 3-Door DCT – 05/2023

General Overview:
The 2023 MINI Cooper 3-Door, finished in elegant **Pearl White**, is a compact premium hatchback that blends iconic British styling with modern performance and technology. This vehicle presents in excellent condition and offers a fun-to-drive character that has defined the MINI brand for decades.

Performance and Handling:
Under the bonnet is a **1.5-liter 3-cylinder turbocharged petrol engine** producing **136 horsepower**, paired with a **7-speed dual-clutch automatic transmission (DCT)**. The lightweight chassis and tight steering geometry make the MINI Cooper ideal for city driving and spirited cornering, delivering a responsive and engaging driving experience.

Interior and Features:
Inside, the car features a high-quality and youthful cabin with premium materials and excellent attention to detail. A **multi-function display** sits at the center of the iconic circular dashboard, offering access to infotainment, navigation (if equipped), and vehicle data. Additional features include LED ambient lighting, digital climate control, and comfortable sport-style front seats.

Technology and Safety:
Equipped with LED headlights and taillights for modern visibility, the Cooper also includes standard safety equipment such as multiple airbags, ABS, stability control, and a rearview camera. The advanced multi-display helps drivers stay connected and informed during every journey.

Exterior Design:
With its compact 3-door body, chrome details, and classic proportions, the Cooper stands out as both nostalgic and modern. The **Pearl White** finish gives it a refined and clean look, complemented by signature LED lighting and stylish alloy wheels, enhancing its upscale urban presence.
