

Mitsubishi Delica d:5 , 2022

Mitsubishi Delica D:5 2.3 P Diesel Turbo 4WD - 12/2022

General Overview

The **Mitsubishi Delica D:5** continues to stand out as a rugged and versatile 8-seater minivan, designed for families and outdoor enthusiasts alike. Finished in **Pearl White (W85)**, this model blends practicality, comfort, and durability while offering a commanding road presence.

Performance and Driving Dynamics

Powered by a **2.3-liter turbo diesel engine delivering 145 horsepower**, the Delica D:5 ensures a smooth and confident drive. Its **4WD system** provides excellent traction on snow, gravel, and challenging terrains, while the **automatic transmission (IAT)** guarantees responsive and efficient shifting. The suspension is tuned for comfort and stability, making it ideal for both city commutes and long journeys.

Interior and Comfort

Inside, the Delica offers **8-passenger seating** with flexible arrangements to maximize space and convenience. Key features include **power sliding doors on both sides**, a **rear-view monitor**, and **power-adjustable driver's seat**, enhancing usability for daily driving and family trips. Additional comforts such as **rear air conditioning and multiple storage options** make it a practical choice for extended travel.

Technology and Safety

This model is equipped with advanced **safety and driver-assist systems**, including **collision mitigation braking, adaptive cruise control, lane-keep assist, and multiple airbags**. The **navigation system** and **camera package** support safe maneuvering, while **Bluetooth connectivity** ensures modern convenience for drivers and passengers.

Exterior Design

The bold design is complemented by **LED headlights, alloy wheels, and the Pearl White finish**, giving the vehicle a modern yet adventurous look. The **electric tailgate** adds functionality, making loading and unloading cargo easier.
