

Mitsubishi Delica d:5 , 2023

Mitsubishi Delica D:5 2.2 P 4WD - 09/2023

General Overview

The **Mitsubishi Delica D:5** is a versatile **8-seater** minivan designed for both family use and outdoor adventures. Finished in elegant Grey (code U28X42), this model offers a perfect balance of practicality, rugged capability, and modern styling. With its spacious cabin and strong presence, the Delica remains one of the most iconic multipurpose vehicles in Japan.

Performance and Driving Dynamics

Powered by a **2.2-liter turbo diesel engine** paired with an **automatic transmission (IAT)**, the Delica D:5 delivers a smooth yet powerful drive. The **4WD system** provides excellent stability and traction, making it suitable for challenging terrains and long-distance travel. With its robust construction and well-tuned suspension, it ensures confident handling and comfort for all passengers.

Interior and Comfort

The interior is built with functionality in mind, featuring seating for up to 8 passengers with ample legroom and versatile seat arrangements. Key equipment includes a **keyless smart entry system**, **rearview monitor**, and **power sliding doors**, making daily use and family trips convenient and comfortable. The cabin is designed to be durable while still providing a welcoming space for long journeys.

Technology and Safety

This model is equipped with essential safety and driver-assist systems, including **ABS**, **multiple airbags**, **collision mitigation braking**, **lane-keep assist**, and **obstacle detection**. Modern features such as **navigation options** and **rear camera** enhance both convenience and safety, ensuring peace of mind on the road.
