## Mitsubishi Delica D:5 2.2 P Diesel Turbo 4WD - 03/2024

### General Overview

The **Mitsubishi Delica D:5** continues its legacy as one of the most versatile and family-friendly minivans in Japan. This version, finished in **Graphite Gray Metallic with Black Masonry accents**, emphasizes rugged practicality while maintaining a refined and modern appearance. With seating for 8 passengers and premium comfort features, it is perfectly suited for both urban use and adventurous journeys.

### Performance and Driving Dynamics

Powered by a **2.2-liter turbo diesel engine delivering 145 horsepower and 380 Nm of torque**, the Delica D:5 combines fuel efficiency with confident performance. The **4WD system** ensures stability and traction on highways, snowy roads, or off-road trails. Paired with an automatic transmission and paddle shifters, it offers smooth yet engaging driving dynamics.

### Interior and Comfort

Inside, the cabin is designed for convenience and family use. Key highlights include a **10-inch SD navigation system, rearview camera, and power sliding doors on both sides**, which make daily commuting and family travel effortless. The **smart key system** and **Bluetooth connectivity** add to the modern usability, while **heated seats** provide comfort during colder months.

### Technology and Safety

Equipped with Mitsubishi's advanced **e-Assist driver support system**, the Delica D:5 includes **radar cruise control, collision mitigation braking, lane-keep assist, and all-around monitoring cameras**. Additional features such as a **full-segment TV** and LED headlights ensure both entertainment and safety are prioritized, creating peace of mind for every journey.

### Exterior Design

The robust design is highlighted by **LED headlights, front fog lamps, and aluminum alloy wheels**, emphasizing both strength and style. The **Graphite Gray Metallic paint with Black Masonry accents** adds a bold, contemporary touch that enhances its rugged character.
