

Mitsuoka Buddy , 2023

Mitsuoka Buddy 20ST - 12/2023

General Overview

The **Mitsuoka Buddy** is a **retro-inspired SUV** that combines the proven engineering of the **Toyota RAV4** with bold American-style design cues from the 1980s. This particular example, produced in **12/2023**, is finished in a striking **Blue** exterior with a **beige interior**, giving it both a rugged and refined character.

Performance and Driving Experience

The Buddy 20ST is powered by a **2.0-liter gasoline engine** producing **171 horsepower** and **207 Nm of torque**, paired with an **automatic transmission (FAT)**. With its **front-wheel drive (2WD)** layout, it provides smooth acceleration, good efficiency, and easy handling in daily driving situations. This makes it practical for both city and highway use while maintaining a strong SUV presence.

Interior and Features

The cabin seats **five passengers** comfortably, offering a spacious and practical layout. Key features include a **navigation system**, **full-segment TV tuner**, and a **rear-view camera**, ensuring convenience and comfort for the driver. The retro-inspired styling is complemented by modern ergonomics, while the beige trim gives the interior a premium look.

Technology and Safety

Equipped with modern driving support, the Buddy includes features such as **power steering**, **power windows**, **ABS**, and **stability control**. Additional highlights include advanced infotainment with navigation and camera systems, blending classic Mitsuoka styling with everyday usability and safety.
