

Nissan Aura , 2023

Nissan Aura G - 06/2023

Exterior

This Nissan Aura is finished in a stylish **Midnight Black (Pearl)**, highlighting its modern and premium hatchback design. With compact dimensions, sharp lines, and refined detailing, the Aura combines practicality with a sense of sophistication. Its dynamic stance and contemporary styling make it stand out among compact hybrids.

Performance and Driving Dynamics

The car is powered by a **1.2-liter hybrid petrol engine** paired with an **automatic transmission (AT)** and **front-wheel drive (FWD)**. The e-Power hybrid system ensures smooth, efficient, and responsive driving, offering excellent fuel economy while delivering strong acceleration thanks to the electric motor drive. Perfect for city commuting and long-distance travel alike.

Interior and Comfort

Inside, the Aura G provides a **premium cabin** with high-quality materials and thoughtful ergonomics. Equipped with **automatic climate control, smart key with push start, leather-trimmed details, and comfortable seating for 5 passengers**, it ensures a pleasant ride. The cabin is designed with ample space and modern touches to enhance daily usability.

Technology and Safety

This model is equipped with **advanced driver-assist and safety features**, including **adaptive cruise control, collision mitigation system, lane keep assist, blind-spot monitoring, parking sensors, and around-view 360° camera**. It also offers a premium infotainment system with navigation, Bluetooth, and smartphone integration for a connected and safe driving experience.
