

Porsche 718 Boxster , 2024

Porsche 718 Boxster 2024

Safety Equipment: The vehicle is equipped with **full-size airbags for the driver and front passenger**, along with **Porsche Side Impact Protection (POSIP)** for enhanced safety. **Porsche Stability Management (PSM)** ensures optimal traction and stability in various driving conditions. The **roll-over bars, painted in the exterior color**, provide additional protection in case of an accident. **ParkAssist (front and rear) with a reversing camera** offers better visibility while parking.

Comfort Equipment: The **two-zone automatic climate control system** allows for personalized temperature settings. The **heated multifunction steering wheel** enhances comfort, especially in colder conditions. The **Porsche Crest embossed on the headrests** adds a touch of exclusivity. The **smoking package**, including an ashtray and lighter, is included for added convenience. A **passenger footwell storage net** provides additional space for small items.

Interior: The cabin features a **red full leather interior**, complementing the sporty and luxurious design. The **Sports Seats Plus (2-way electric adjustment)** offer excellent support and comfort. The **Sport Chrono Package with a mode switch** allows the driver to adjust performance settings for different driving conditions. Additional refinements include **door sill guards with the model logo, floor mats, and smooth-finish leather on the steering wheel rim, gear lever, and door pull inlays**.

Exterior: The **GT Silver Metallic exterior** enhances the vehicle's sleek and dynamic look. The **20-inch 911 Turbo wheels** give the car a more aggressive stance, while **black sports tailpipes** emphasize its sporty nature. **Electrically folding exterior mirrors with courtesy lighting** add both convenience and style. The **deletion of the model designation** provides a cleaner aesthetic, and the **tinted LED taillights** enhance its modern design.

Performance: The **Sport Chrono Package with mode switch** allows for fine-tuning of driving dynamics, enhancing the car's responsiveness. **Power Steering Plus** adjusts steering effort based on speed, providing effortless maneuvering at low speeds while maintaining precise control at higher speeds. The **64-liter fuel tank** increases range, making it ideal for long-distance drives.

Technology and Multimedia: The **BOSE® Surround Sound System** ensures an immersive audio experience. The **Porsche Communication Management (PCM)**

system offers seamless navigation and connectivity. The **LED main headlights with Porsche Dynamic Light System (PDLS)** enhance visibility by adjusting the beam based on driving conditions.

Driver Assistance Systems: The **ParkAssist system with a reversing camera** provides enhanced maneuverability in tight spaces.
