

Porsche Panamera , 2024

Porsche Panamera 2024

Safety Equipment: The vehicle is equipped with **driver and passenger airbags, rear side airbags, and an advanced pedestrian protection system**. It features **Warn and Brake Assist**, which detects potential collisions and applies emergency braking if necessary. **Lane Keep Assist** helps maintain lane positioning, while **Active Speed Limit Assist** adjusts the vehicle's speed based on road sign recognition. The **adaptive cruise control** enhances driving convenience by maintaining a safe distance from other vehicles. Additional safety features include **ABS (Anti-lock Braking System)**, a **rearview camera, ISOFIX child seat mounting on both the outer rear seats and the front passenger seat, and an alarm system with interior surveillance**. The **soft-close doors** improve security and comfort.

Comfort Equipment: The **14-way electrically adjustable front comfort seats with a memory package** provide superior customization and support. **Both front and rear seats feature heating functions**, ensuring maximum comfort for all passengers. The **two-zone automatic climate control** maintains an optimal cabin temperature. The **panoramic roof system** allows more natural light into the interior, enhancing the sense of space. The **leather interior**, including **leather door panels and central armrests**, ensures a premium feel, while the **Race-Tex roof lining** adds a sporty touch. The **storage package** offers additional compartments for convenience.

Interior: The cabin features a **matt carbon interior package with color accents in Neodyme**, adding an elegant contrast. The **heated GT Sports steering wheel in Race-Tex with carbon (matt) and a mode switch** enhances the sporty driving experience. The **Sport Chrono Package** includes a **stopwatch with a Turbonite dial**, reflecting the vehicle's high-performance capabilities. Additional refinements include **brushed aluminum door sill guards in black with illumination, floor mats with stitching in Turbonite, pedals and footrests in black, and a smartphone compartment with wireless charging**. The **BOSE Surround Sound System** provides an immersive audio experience.

Exterior: The Panamera is finished in **Lugano Blue solid paint**, a striking and distinctive color. The **SportDesign Package painted in high-gloss black** enhances the vehicle's aerodynamics and aggressive styling. **The 21-inch Panamera Turbo S wheels with a central lock, painted in black high-gloss**, add to the sporty look, while the **black high-gloss brake calipers** provide a sleek contrast. The **side**

window trims in black high-gloss, model designation painted in black high-gloss, and privacy glass further refine the vehicle's exclusive appearance. The **sports exhaust system with dark tailpipes** enhances the sound profile, while the **tinted HD-Matrix LED headlights** improve visibility.

Performance: The Panamera is powered by a **high-performance engine paired with an 8-speed PDK automatic transmission**, delivering seamless acceleration. **Porsche Torque Vectoring Plus (PTV Plus) and rear-axle steering** improve agility and handling, providing precise control in corners. The **adaptive air suspension with Porsche Active Suspension Management (PASM) and a 10mm lowered sport setup** enhances ride quality and responsiveness.

Technology and Multimedia: The infotainment system includes **Apple CarPlay, Android Auto, and a BOSE Surround Sound System**. **ParkAssist with front and rear visual and audible warnings** assists in maneuvering in tight spaces. The **Sport Chrono Package** enhances the driving experience with performance-focused features. Additional tech highlights include **Power Steering Plus for effortless handling, a head-up display for key driving information, and a speed limit indicator**.

Driver Assistance Systems: The vehicle includes **adaptive cruise control, lane departure warning, rear-axle steering, and a reversing camera** for improved driving convenience. The **tyre pressure monitoring system (TPM) and a tyre sealing compound with an electric air compressor** provide enhanced safety.
