

Porsche Panamera , 2025

Porsche Panamera 2025

Safety Equipment: The vehicle is equipped with **driver and front passenger airbags, front side airbags, and a head airbag system** for enhanced protection. It features **Warn and Brake Assist**, which includes pedestrian protection, and **Lane Keep Assist**, helping to maintain lane positioning. The **Active Bonnet system** enhances pedestrian safety by reducing impact in case of a collision. Additional safety features include **ABS (Anti-lock Braking System), Traffic Sign Recognition, Emergency Call Systems (eCall and bCall), and ISOFIX child seat mounting on the outer rear seats**. The **anti-theft alarm system with interior surveillance** and **alcohol interlock preparation** ensure security and regulatory compliance.

Comfort Equipment: The **front comfort seats feature 14-way electric adjustment with a memory package**, ensuring personalized seating positions. The **heated GT Sports Steering Wheel wrapped in Race-Tex with a mode switch** provides a premium driving feel. The **two-zone automatic climate control system** ensures a comfortable cabin environment. **The interior is finished in a mix of leather and microfiber materials**, including **leather door panels and central armrests**. Additional luxury features include **Comfort Access for keyless entry, automatic tailgate operation, and a flexible luggage compartment roller cover** for enhanced practicality.

Interior: The cabin is adorned with **Brushed Aluminium Interior Package in Black**, complementing the **Race-Tex roof lining** for a sophisticated yet sporty ambiance. The **PDK gear lever** offers a premium tactile experience. The **Porsche logo is painted in satin black**, adding to the vehicle's exclusive feel. The **BOSE Surround Sound System** provides an immersive audio experience, while the **smartphone compartment with wireless charging** ensures seamless connectivity. Additional refinements include **brushed aluminum door sill guards in black, floor mats, and sun visors**.

Exterior: The Panamera is finished in **Crayon special solid paint**, giving it a distinctive and modern appearance. The **SportDesign Package painted in satin and high-gloss black**, along with **SportDesign side skirts**, enhances its aerodynamic profile. The **21-inch Panamera Turbo S alloy wheels with central lock** are painted in **Anthracite Grey**, while the **brake calipers are finished in red**, adding a sporty contrast. The **side window trims are in high-gloss black**, and the **door handles are painted in the exterior color** for a seamless look. The **exclusive**

design taillights further elevate its presence.

Performance: The Panamera is powered by a **high-performance engine paired with an 8-speed PDK automatic transmission**, ensuring rapid gear changes and smooth acceleration. **The adaptive air suspension, including Porsche Active Suspension Management (PASM), is sport-lowered by 10mm** for enhanced handling dynamics. The **Porsche Torque Vectoring Plus (PTV Plus) system** improves traction and cornering stability. The **Sport Exhaust System with dark tailpipes** enhances the car's aggressive sound profile.

Technology and Multimedia: The infotainment system includes **Apple CarPlay, DAB Digital Radio, and a smartphone integration system** for seamless connectivity. The **Sport Chrono Package with a black stopwatch instrument dial** provides performance-focused driving modes. Additional tech features include **Power Steering Plus for improved maneuverability, Traffic Sign Recognition, and ParkAssist with front and rear visual and audible warnings**.

Driver Assistance Systems: The vehicle is equipped with a **reversing camera for enhanced visibility, TPM (Tyre Pressure Monitoring System), and a tyre sealing compound with an electric air compressor** for emergency situations. The **preparation for Porsche Dashcam** ensures security and incident recording while driving.
