Overview

The Toyota bZ4X 71.4 kWh Z 2023 is a fully electric SUV designed to deliver efficiency, practicality, and advanced safety technologies. %READMORE% Equipped with a 71.4 kWh battery and intelligent 4WD system, this modern electric crossover offers smooth performance and everyday versatility, available through our Cyprus car dealership.

Driving Performance

The electric powertrain provides instant torque and quiet acceleration, while the 4WD system ensures confident handling and enhanced traction in various road conditions. The well-balanced chassis and low center of gravity contribute to stability and comfort.

Interior and Equipment

The spacious cabin offers comfortable seating for five passengers, with heated and electrically adjustable seats. The modern infotainment system includes genuine navigation, smartphone connectivity, and a 1500W external power supply for added convenience.

Technologies and Assistants

Equipped with Toyota Safety Sense features including adaptive cruise control, Lane Keep Assist, collision prevention system, blind spot monitoring, rear traffic alert, and a 360° camera system for enhanced visibility and safety.

Exterior

Finished in elegant Platinum White Pearl Mica, the bZ4X features sharp LED headlights, aerodynamic styling, and stylish aluminum wheels, emphasizing its modern electric character.
