Toyota Supra RZ 3.0L Turbo - 07/2023

General Overview

The **Toyota Supra RZ** represents the top-performance variant of the iconic Supra lineup. This 2023 model, finished in striking **Dawn Blue Metallic**, combines aggressive styling, advanced technology, and exhilarating driving dynamics. As the flagship trim, it emphasizes both luxury and pure sports car character.

Performance and Driving Dynamics

Powered by a **3.0-liter inline-6 turbocharged engine producing 387 horsepower**, paired with an 8-speed automatic transmission and rear-wheel drive, the Supra RZ delivers thrilling acceleration and precision handling. The chassis balance, sport-tuned suspension, and powerful braking system make it equally capable on city streets and winding roads.

Interior and Comfort

The cabin is crafted for driving enthusiasts, featuring supportive sports seats, high-quality finishes, and intuitive driver-focused controls. This model is equipped with **JBL premium sound system**, providing immersive audio. The **digital driver's display**, **dual-zone climate control**, and advanced infotainment ensure both excitement and comfort during every journey.

Technology and Safety

Advanced safety and driver-assist features include lane departure warning, blind-spot monitoring, collision mitigation braking, adaptive cruise control, and multiple airbags. Parking sensors and a rearview camera provide additional convenience and confidence in daily driving.

Exterior Design

Finished in **Dawn Blue Metallic**, the Supra RZ highlights its muscular coupe silhouette with bold aerodynamic lines and distinctive styling cues. LED headlights and sporty alloy wheels complete its aggressive stance, showcasing the Supra's unmistakable performance DNA.
