

Toyota Mirai , 2021

Toyota Mirai - 03/2021

Exterior:

The **2021 Toyota Mirai** presents a futuristic and elegant design, reflecting its advanced hydrogen fuel cell technology. The front end is characterized by sharp **LED headlights**, a wide black grille, and sculpted air inlets that enhance its aerodynamic profile. The sleek roofline flows smoothly into the rear, where stylish **LED taillights** span the width of the car. **Alloy wheels**, chrome trim, and a refined silhouette give the Mirai a premium and distinctive presence on the road.

Performance and Efficiency:

The Mirai is powered by Toyota's hydrogen fuel cell electric system, producing **182 horsepower (136 kW)** and approximately **300 Nm of torque**. The electric motor is driven by electricity generated on board from hydrogen, delivering smooth and quiet acceleration with zero tailpipe emissions — only water vapor. The car offers a driving range comparable to a conventional sedan, with quick refueling at hydrogen stations, making it an environmentally friendly yet practical choice.

Interior and Features:

Inside, the Mirai offers a luxurious and spacious cabin with seating for five passengers. High-quality materials, **leather upholstery**, and modern design details create a comfortable and upscale atmosphere. The dashboard is equipped with a **12.3-inch touchscreen infotainment system** featuring **Apple CarPlay**, **Android Auto**, and navigation. Standard amenities include multi-zone climate control, heated and ventilated seats, keyless entry and start, and a digital instrument cluster. Rear seats fold partially to expand trunk space when needed.

Technology and Safety:

The Mirai comes with Toyota's advanced **Safety Sense** suite, including adaptive cruise control, lane keeping assist, blind spot monitoring with rear cross-traffic alert, and automatic emergency braking with pedestrian detection. Additional features include front and rear parking sensors, a 360-degree camera system, obstacle detection, and anti-theft systems. With its innovative technology, premium comfort, and zero-emission performance, the **Toyota Mirai (2021)** redefines what a modern luxury sedan can be.
