## Toyota RAV4 Adventure Off-Road Package II - 2025 NEW

### Safety & Assistance Systems:

Power Steering (PS), Anti-lock Braking System (ABS), Full Airbag System (Driver / Passenger), Vehicle Stability Control, Parking Sensors, Anti-theft System, Blind Spot Monitor (BSM), and Skid Prevention System ensure safety in any driving environment. The RAV4 offers excellent stability and control on both city streets and off-road terrains.

### Comfort & Infotainment:

Automatic Air Conditioning (AAC), 10.5-inch Display Audio System, Integrated Navigation System, Digital TV Function, and a Panoramic View Monitor enhance the driving experience. The vehicle is equipped with a Digital Inner Mirror for improved visibility.

### Interior & Seating:

Power Seats, Comfortable Heated and Ventilated Seats, Premium Upholstery with D-Seat, and Spacious Cabin, designed for comfort in both urban and off-road settings. The vehicle's interior combines luxury with practicality, providing a high level of comfort for all passengers.

### Exterior:

Distinctive and rugged design, Genuine 18-inch Alloy Wheels (AW), and Cold Region Specifications for superior durability in harsh weather conditions. The exterior features a bold, powerful look perfect for off-road adventures.
