

Toyota Land Cruiser Prado , 2021

Toyota Land Cruiser Prado TX 2.7 Petrol 4WD - 12/2021

General Overview

The **Toyota Land Cruiser Prado TX** is a mid-size SUV renowned for its rugged durability and comfort, making it an excellent choice for both city driving and adventurous journeys. This particular model, finished in **Black**, showcases a commanding presence with a refined design that blends elegance with off-road toughness.

Performance and Driving Dynamics

Powered by a **2.7-liter petrol engine delivering 163 horsepower**, paired with an automatic transmission, this Prado ensures smooth power delivery and reliable performance. The full-time **4WD system** enhances traction and stability across different terrains, making it versatile for urban commutes as well as long-distance travel and off-road conditions.

Interior and Comfort

The cabin comfortably accommodates **5 passengers**, designed with practicality and durability in mind. Key features include a **push-start system with smart key access**, automatic air conditioning, and a high-quality infotainment setup. The spacious layout ensures comfort on both short and long trips.

Technology and Safety

This Prado is equipped with modern technology and driver-assist features such as a **genuine SD navigation system, rearview camera, back monitor, and cruise control**. Safety is further supported by **ABS, multiple airbags, LED headlights with automatic high beam, and advanced driver assistance systems**, ensuring confidence and protection in all driving scenarios.

Exterior Design

The black exterior enhances its bold SUV stance, complemented by **LED headlights** for improved visibility and a modern look. The solid build and practical design elements emphasize Prado's dual character—equally suitable for daily use and outdoor adventures.
