

Toyota RAV4 , 2021

Toyota RAV4 Hybrid X - 11/2021

Exterior: The Toyota RAV4 Hybrid X in **White Pearl Crystal Shine** combines a modern and confident design. The black front grille, sharp LED headlights, sculpted body lines, and factory alloy wheels give it a stylish and robust appearance. Chrome accents enhance its premium look.

Performance and Efficiency: Equipped with a **2.5-liter hybrid system producing around 218 horsepower**, this RAV4 delivers excellent fuel efficiency and confident performance. The **4WD system** and hybrid drivetrain ensure smooth and quiet acceleration, making it comfortable and environmentally friendly for everyday use.

Interior and Features: The spacious cabin seats five passengers and is finished with quality materials. Features include **dual-zone climate control, rear-view camera, collision mitigation system, adaptive cruise control, memory seats, and a 360-degree view camera**, all contributing to comfort and safety.

Technology and Safety: Advanced driver-assistance and safety features include **lane assist, parking sensors, blind-spot monitoring, emergency braking, and pre-collision systems**, enhancing driver confidence and passenger protection.
