## Toyota Yaris Cross Hybrid G - 04/2021

### Exterior:

The 2021 Toyota Yaris Cross Hybrid G combines the practicality of a compact SUV with Toyota's modern design language. It features a sharp front grille with integrated LED headlights and daytime running lights, muscular wheel arches, and stylish 16-17 inch alloy wheels (depending on specification). The raised ride height and protective cladding around the body give it a rugged yet urban-friendly appearance. Chrome and gloss-black accents add a touch of sophistication, while the rear is complemented by LED tail lights and a roof-mounted spoiler.

### Performance and Efficiency:

Under the hood, this Yaris Cross Hybrid G is powered by a **1.5-liter 3-cylinder petrol engine paired with an electric motor**, delivering a combined **116 horsepower (85 kW)** to the front wheels (2WD) through an e-CVT automatic transmission. The hybrid system ensures excellent fuel economy, typically averaging **3.8-4.5 L/100 km**, and provides quiet and smooth performance ideal for city and highway driving.

### Interior and Features:

Inside, the cabin is comfortable and intelligently laid out, offering seating for 5 passengers with quality materials and a modern design. The G trim includes fabric or semi-leather seats, a multifunction steering wheel, and a 7-8 inch touchscreen infotainment system with Apple CarPlay and Android Auto support. Dual-zone automatic climate control, smart key entry, and a push-button start are standard. The rear seats can fold down in a 60:40 split to expand cargo space for added practicality.

### Technology and Safety:

Equipped with Toyota Safety Sense, the Yaris Cross Hybrid G features adaptive cruise control, lane departure alert with steering assist, pre-collision system with pedestrian and cyclist detection, road sign assist, and automatic high beams. Additional features include a rear-view camera, parking sensors, blind-spot monitoring (on some configurations), and multiple airbags, ensuring peace of mind on every journey.
