

Toyota Land Cruiser Prado , 2021

Toyota Land Cruiser Prado TX 2.7 Petrol 4WD - 09/2021

General Overview

The Toyota Land Cruiser Prado TX is a reliable and practical SUV, known for its durability and excellent balance between everyday usability and off-road capability. This 2021 model, finished in White, offers a commanding presence with a spacious and versatile cabin suitable for family and adventure use.

Performance and Driving Dynamics

Powered by a **2.7-liter petrol engine delivering 163 horsepower**, paired with an automatic transmission, the Prado ensures smooth and consistent performance. Its **4WD system** provides enhanced traction and stability across various terrains, making it equally capable on highways and off-road trails.

Interior and Comfort

The interior comfortably accommodates **five passengers**, offering a functional and user-friendly layout. Key features include **a display audio system, rear-view monitor, and smart key access**. The cabin is designed for both convenience and practicality, making long drives enjoyable.

Technology and Safety

Equipped with essential safety features such as **ABS, multiple airbags, and stability systems**, the Prado delivers peace of mind for every journey. Driver-assist functions like parking sensors and monitoring systems further improve safety and ease of use.

Exterior Design

The robust styling of the Prado is enhanced with **roof rails, alloy wheels, and LED headlights**, which add both functionality and a bold visual presence. Its durable build and iconic SUV silhouette emphasize its readiness for both city life and rugged exploration.
