Overview

The **Toyota Sienta 1.5 Z 7-Seater 07/2025** is a versatile and fuel-efficient hybrid minivan designed for families and urban mobility. %READMORE% Finished in elegant Black, this 7-seater combines compact dimensions with excellent interior space and advanced safety technology.

Performance & Efficiency

Powered by a 1.5-liter hybrid engine paired with a smooth CVT transmission, the Sienta delivers excellent fuel economy and quiet driving performance. Its 2WD layout ensures efficient city commuting while maintaining Toyota's renowned reliability.

Interior & Practicality

The spacious 3-row seating layout comfortably accommodates up to seven passengers. Dual electric sliding doors on both sides provide easy access, making it ideal for families with children. The large 10.5-inch genuine navigation system and 360-degree surround camera enhance convenience and visibility.

Technology & Safety

Equipped with Toyota's advanced safety suite including Collision Mitigation Braking, Adaptive Cruise Control, Lane Keep Assist, corner sensors, dashcam, and automatic high beams to ensure a safe and confident driving experience.

Exterior

The modern and compact design is complemented by LED headlights and practical dual sliding doors, making the Sienta both stylish and functional for everyday use.
