## Toyota bZ4X Z - 05/2023

### Overview:

The **2023 Toyota bZ4X Z** is a premium all-electric SUV that combines advanced technology, stylish design, and eco-friendly performance. Finished in a sleek **Platinum White Pearl** exterior, this model is equipped with features like a **panoramic glass roof**, **collision avoidance system**, and **Toyota Connected Navigation**, offering a modern and convenient driving experience.

### Performance and Efficiency:

The bZ4X Z is powered by a **71.4 kWh lithium-ion battery**, providing an estimated range of up to **516 km** on the WLTP cycle. The vehicle offers both **front-wheel drive (FWD)** and **all-wheel drive (AWD)** configurations, giving you the flexibility to choose the best option for your driving needs. The bZ4X Z delivers smooth and responsive driving, with quick acceleration and efficient energy usage, making it perfect for both city commutes and longer trips.

### Interior and Features:

Inside, the bZ4X Z features a spacious and modern cabin that comfortably accommodates up to **5 passengers**. The interior boasts a **14-inch multimedia system** with **Toyota Connected Navigation**, providing easy access to entertainment and enhanced visibility while driving. The cabin also includes a **panoramic glass roof**, allowing natural light to fill the interior, and a **Toyota Smart Key System** for added convenience.

### Safety and Driver Assistance:

The bZ4X Z comes with a suite of advanced safety features, including a **collision avoidance system** that helps detect pedestrians, cyclists, and vehicles in your path, providing visual and audio warnings when a collision is imminent. If you don't respond in time, the system applies the brakes to help prevent a crash. Additionally, the vehicle is equipped with **Toyota Safety Sense 2.5+**, which includes features like adaptive cruise control, lane departure warning, lane-keeping assist, blind-spot monitoring, and rear cross-traffic alert.
