

Toyota Land Cruiser Prado , 2023

Toyota Land Cruiser Prado TX 2.7 Petrol 4WD - 02/2023

General Overview

The **Toyota Land Cruiser Prado TX** is a durable and practical mid-size SUV, offering a perfect blend of off-road toughness and everyday usability. With its robust frame and confident stance, it remains one of the most respected names in the SUV segment. This model is finished in a stylish exterior that enhances its strong and premium appearance.

Performance and Driving Dynamics

Powered by a **2.7-liter petrol engine producing 163 horsepower**, this Prado provides smooth acceleration and reliable performance on highways and rough terrain alike. Its **4WD system** ensures stability, traction, and control, making it an excellent choice for both urban driving and off-road adventures. The automatic transmission delivers a refined and effortless driving experience.

Interior and Comfort

The cabin offers a comfortable layout for **five passengers**, designed with both convenience and practicality in mind. Key equipment includes a modern **display audio system**, a rear-view monitor for easier maneuvering, and roof rails with a roof carrier for extra practicality. The interior is crafted to handle daily use while providing a sense of refinement expected from a Land Cruiser.

Technology and Safety

The Prado TX is equipped with a full suite of Toyota safety features, including **ABS, multiple airbags, stability systems, and parking assist functions**. With its reliable construction and well-integrated driver assistance systems, this SUV ensures confidence and safety for driver and passengers alike.

Exterior Design

The Prado stands out with its muscular SUV proportions and practical design. Its roof rails, rugged accents, and distinctive styling cues emphasize its off-road readiness while maintaining a polished and versatile look suited for city driving.
