Toyota Supra SZ-R 2.0L Turbo - 07/2023

General Overview

The **Toyota Supra SZ-R** represents the lightweight and agile side of the legendary Supra lineup. This 2023 model in stunning **Prominence Red** emphasizes sporty driving dynamics with a balance of style, technology, and everyday usability. With its coupe design, sharp lines, and driver-focused cockpit, the Supra SZ-R is built to deliver excitement both on city streets and winding roads.

Performance and Driving Dynamics

Powered by a **2.0-liter 4-cylinder turbocharged petrol engine producing 258 horsepower**, the Supra SZ-R provides strong acceleration and precise handling. Paired with an **8-speed automatic transmission** and rear-wheel drive, it delivers excellent balance and responsiveness. The lighter engine makes it more agile compared to the 3.0L RZ variant, appealing to enthusiasts who enjoy nimble driving.

Interior and Comfort

The interior is crafted for a driver-centric experience. Equipped with supportive sports seats, modern infotainment with navigation, and smart key access, the cabin combines functionality with premium touches. Additional equipment includes a rearview monitor, advanced body stability systems, and a premium audio system for immersive sound quality.

Technology and Safety

This model includes advanced safety features such as **ABS, traction control, collision mitigation braking, lane departure warning, and adaptive cruise control**. Driver aids like parking sensors, rear camera, and stability control ensure secure handling in all conditions.

Exterior Design

Finished in **Prominence Red**, the Supra SZ-R stands out with its bold coupe silhouette, muscular stance, and aerodynamic enhancements. The sleek design is paired with stylish alloy wheels and LED lighting, giving it a modern yet aggressive look.
