Toyota RAV4 2.0 X - 04/2021

Exterior:

The **2021 Toyota RAV4 2.0 X** presents a rugged yet refined design typical of Toyota's crossover SUV lineup. It features a bold front grille, angular LED headlights, and black plastic cladding around the wheel arches and lower body for a sporty, durable look. The model rides on 17-inch alloy wheels and has roof rails, enhancing its versatility for travel and outdoor gear.

Performance and Efficiency:

Under the hood, the RAV4 2.0 X is powered by a **2.0-liter naturally aspirated 4-cylinder petrol engine**, producing **171 horsepower (126 kW)** and **207 Nm of torque**. It is paired with a CVT (Continuously Variable Transmission) and typically comes in **front-wheel drive (2WD)** or optional **all-wheel drive (AWD)** configurations. Acceleration is smooth and responsive for daily driving, with average fuel consumption around **6.5-7.0 L/100 km**, depending on driving style and drivetrain.

Interior and Features:

Inside, the RAV4 2.0 X offers a spacious cabin with seating for five and ample cargo room. The interior is designed for functionality, featuring durable materials and supportive fabric seats. Standard equipment includes a 7-inch touchscreen infotainment system with Bluetooth, USB, AM/FM radio, and **Apple CarPlay/Android Auto**. Dual-zone climate control, push-button start, and a multifunction steering wheel add to driver convenience.

Technology and Safety:

Safety is a key strength of the RAV4. The 2.0 X is equipped with Toyota Safety Sense, including **adaptive cruise control**, **lane departure alert with steering assist**, **pre-collision system with pedestrian detection**, and **road sign assist**. It also comes with **rear view camera**, **ABS**, **EBD**, **stability control**, **7 airbags**, and **ISOFIX** anchor points, ensuring strong occupant protection.
