

Toyota GR86 , 2024

Toyota GR86 2.4 SZ - 02/2024

Exterior:

This **Toyota GR86** is finished in **Dark Blue**, highlighting its aggressive coupe styling and aerodynamic silhouette. The sharp lines, sporty stance, and LED headlights with auto-light function give the car a bold, modern look. The sleek 2-door body sits low and wide, embodying Toyota's true sports car DNA.

Performance and Driving Dynamics:

Equipped with a **2.4-liter 4-cylinder petrol engine** paired to a **6-speed manual transmission (MT)**, the GR86 delivers an engaging and pure driving experience. Producing around **235 horsepower**, power is sent to the rear wheels for sharp handling and responsive acceleration. Additional driving confidence comes from advanced safety systems including radar cruise control, EyeSight assistance, ABS, traction control, and stability management.

Interior and Comfort:

Inside, the GR86 offers a driver-focused cabin with sport seats and premium ergonomics. Features include a **factory navigation system**, multifunction steering wheel with remote controls, and push-button start with Smart Key. Automatic air conditioning maintains comfort, while the compact coupe design emphasizes a true performance-oriented atmosphere.

Technology and Safety:

Packed with modern features, this GR86 includes **rear-view camera, LED headlights, radar cruise control, EyeSight driver assistance**, and multiple airbags for comprehensive protection. Original Toyota floor mats and premium finishes further elevate the interior.
