

Toyota RAV4 , 2021

Toyota RAV4 Hybrid X - 02/2021

Exterior: The Toyota RAV4 Hybrid X in **Attitude Black Mica** features a bold and stylish design typical of Toyota's SUV lineup. The sharp LED headlights, black grille, sculpted body lines, and factory alloy wheels contribute to its modern and commanding presence. Chrome accents subtly enhance its premium look.

Performance and Efficiency: Powered by a **2.5-liter hybrid system delivering approximately 218 horsepower**, the RAV4 Hybrid X combines excellent fuel efficiency with strong, refined performance. The hybrid drivetrain ensures quiet, smooth acceleration and reduced emissions, making it suitable for both city and highway driving.

Interior and Features: The interior offers a comfortable and practical cabin with seating for five. It comes equipped with **dual-zone climate control, rear-view camera, collision mitigation system, dynamic cruise control, and multi-view monitor**, enhancing both comfort and safety. The spacious layout and quality materials create a pleasant driving experience.

Technology and Safety: Advanced safety and driver-assistance systems include **lane assist, parking sensors, blind-spot monitoring, pre-collision system, and emergency braking assist**. These features work together to improve driver confidence and protect passengers on every trip.
