Toyota RAV4 2.0 4WD - 02/2021

Exterior:

The **2021 Toyota RAV4 2.0 4WD** showcases a bold and angular SUV design characterized by sharp body lines, a wide stance, and a commanding front grille. It features LED headlights, roof rails, 17- or 18-inch alloy wheels depending on trim, and body-colored bumpers. The 4WD variant is designed to provide better grip and control in various road conditions, making it ideal for both urban driving and light off-roading.

Performance and Efficiency:

This version is powered by a **2.0-liter naturally aspirated petrol engine**, delivering **approximately 171 horsepower (126 kW)** and **207 Nm of torque**. It is paired with either a 6-speed manual transmission or a CVT (Continuously Variable Transmission), depending on the market. The full-time **4WD system** enhances traction, especially on slippery or uneven surfaces. Fuel consumption averages **6.5-7.0 L/100 km**, offering a balance of performance and efficiency.

Interior and Features:

Inside, the RAV4 2.0 offers a practical and well-organized cabin for **5 passengers**. Standard features typically include fabric upholstery, dual-zone automatic climate control, an infotainment touchscreen with Bluetooth and USB connectivity, and a multifunction steering wheel. Higher trims may include a power-adjustable driver's seat, Apple CarPlay/Android Auto compatibility, and a rearview camera.

Technology and Safety:

The RAV4 is equipped with **Toyota Safety Sense** in many configurations, which may include lane departure alert, adaptive cruise control, automatic emergency braking, and traffic sign recognition. Other features include **ABS, traction control, stability control**, multiple airbags, and **hill-start assist**. For enhanced visibility and safety, rear parking sensors and camera assist with maneuvering in tight spaces.
